

GREETINGS!

For to this you were called, because Christ also suffered for us, leaving us an example, that you should follow His steps

1 Pt 2:21

Beloved people of God my heartfelt love and greetings to every one of you in the name of our Lord and Savior Jesus Christ, who is our example and in whose footsteps we destined to walk according to the word of God.

Every great saint of God left incredible testimony at one major point to be remembered and emulated.

Beginning of a young lad like Able who offered sacrifice pleasing to God and even after his death he is still speaking. Enoch pleased God by walking in the ways of God while pleasing him every step of life. Noah feared God when he received divine warning, he Left for us an example of salvation

and purity of consciousness. Abraham our father of righteousness left behind the testimony of faith. Every single saint of God irrespective of their age lived a Godly life and suffered for a while then left a great legacy behind.

Even after the Bible times there were many saints of God who left the great testimony of their life which makes us talk about them even after their death.

Why do we talk about them?

All those great men and women of God believed God's promises in the midst of impossibilities that imputed them as righteous by the blood of Jesus Christ; same way my son Shaswi is righteous in the sight of the Lord for he carried this testimony before Jesus Christ.

"SHASWI NEVER SPOKE A LIE IN HIS LIFE TIME"

I can vow on this testimony before Jesus not only as his father but also as a man pursuing Gods call in my life. My son Shaswi left such an incredible legacy to our family and to the world as a servant of God, having the divine call of an apostle and prophet at the age of 18.

Is it not wonderful to know more about him and his unique character which inspires children, young and parents of today.

The memory of the righteous will be a blessing...

Pro 10: 7

BIRTH

*"They are the children
God has graciously given
your servant."*

Gen 33:5

"God is at work with purpose!"

Baby boy "Shaswi" was given to our family graciously by God, in the midst of our sorrows and unworthiness.

Even before my son was conceived in the womb of my wife we were going through a lot of trial in our business. As I lost everything in my business, I was contemplating for suicide. But father of lights who is the giver of good and perfect gifts to the humanity was gracious to our family through his beloved and only begotten son Jesus Christ. He saved me by his vision on Dec 13 1988 and another vision during March 1989. **He strengthened us by his grace of promise of a son who will wipe out our tears and bring prosperity to our family.** Every Child's birth is significant in a family. For example Jabez, his mother gave that name saying she bore him in pain 1 Ch 4 : 9 – 10 , but God turned him to be a honored among the people. When Benjamin was born to Rachel she gave his name as Benoni Gen 35 : 18 which means "son of my sorrow", but his father Jacob called him Benjamin. Benjamin became a strength unto his father and whose life is bound with his father's life at later times as per Gen 44 : 30.

One cannot understand how real God's words are unless we are put in the process of trails of reality.

*He strengthened
us by his grace of
promise of a son
who will wipe out
our tears and
bring prosperity to
our family.*

The Glorious Day!

“Beginning of an incredible heritage”

*....I will give them
praise and honor in
every land where they
were put to shame.*

Zp 3:20

On a Thursday night, 21.12.1989 I took my wife to the hospital at 7 pm. My son was born at 7.15pm the same day and we returned back to home the next day. We had such a confidence that this child will bring good glory to our family, where we were put to shame, due to losses in business. Hence we gave his name **SHRESTA YASASWI GOMES** which means “**best of the Glory**” from God. His pet name is Shaswi. Surely, his birth brought back lost glory as a good gift from God.

Shaswi became God’s heritage as per Ps 127: 3 – 5;

3 Sons are a heritage from the LORD, children a reward from him.

4 Like arrows in the hands of a warrior are sons born in one's youth.

5 Blessed is the man whose quiver is full of them. They will not be put to shame when they contend with their enemies in the gate.

Just me and my wife could not have taken dominion of things God wants us to do in future. At the time of birth of both my children we might not have understood the plans of God but as He knows everything, He has given us descendents. Having this child is a response to the command of God in our cross roads of life during 1988.

Heritage means, be it my son Shaswi or your children they all belong to God. God gives children to couples, as man entrust his future to his heirs; Jesus Christ wants us not to despise any of those little children and hold up their faith in God as an example for adults Mt 18 : 1 – 5 & 10. When a couple enters into marriage they make themselves available to love, serve and sacrifice for the next generation. To love and care for our children is one of the principle way that we honor God in building his kingdom Hosea 11 : 1 .3

From his birth our fruitless life, started bearing life. We also repositioned our business as a command of Jesus. One man called Kandasamy of erode give us Rs.500 and our auditor gave Rs. 1 on the day of commencing the consultancy business of chemical technology. I had given the Rs.500 to Pastor Paul who came to bless the business and with one rupee I started the business. Hope in God and the surety of promise of God that my children are the fruit to our life. Then on God prospered everything we set our hands on. We cleared our debts and gave the rest to God to win

souls. We built a Church, Bible College, and an orphanage from the fruitfulness God blessed after the birth of Shaswi.

I cannot explain in words how my son shaswi become such an incredible heritage from god!

Childhood days...

My son shaswi was surely an arrow in the hands of OUR warrior. God gave him such a supernatural strength in his childhood. By seeing his **super strength** I started getting scared and praying to God to take away his super strength. God heard my cry and my son become of natural strength like any other child of his age.

...So the secret of his strength was undiscovered.

Jud 16:9

Some of the instances I would like to share with you....

Once while he was playing he just went and hit our car with bare hands for fun and the door got jammed. Another unbelievable instance is that he just pulled out our car steering wheel with bare hands. We were amazed by his super strength!

My son was very athletic, One day he was playing football with our car driver I told him to be careful because my son kicks the ball really hard. My driver took it light and finally ended up getting his ankle sprained because my son aimed the ball at his feet and that hurt him really bad!

From the childhood he had a tremendous passion for cars. I might have bought him thousands of toy cars for him to play. He dismantle or brake every car to see what is the mechanism in it!

Now, this is something that happened in my family; my own brother who is an agriculturist is about 6 feet and 2 inches tall. He was casually playing with my son and was making a point that he is stronger than my son. In order to test this, he asked my son to punch him on his stomach thinking my son is a small kid and that he is not going to hurt him in any way. When my son gave one blow on his stomach, my brother was almost in tears.

From the age of 7 he started learning the martial art, "karate". My son became the Tamil Nadu state champion at the age of 15 in a competition conducted at Madurai. He reached up to the first black belt level and later quit because he was in high school his studies needed more attention.

Even if he is into Karate his temperament was very cool and plays game according to the rule. Even when he was hurt by competitors in a foul way he never hurt them back with vengeance. He perfected to play according to rules hence he obtained favors of the entire Karate masters in Madurai region. As an adage says "A sound mind in a sound body" "he is a perfect example of strength and mental balance of loving

Learning Martial art was his early teenage hobby and he excelled in the same!!

and caring for the people. God's promise of heritage was full filled in his life during this phase.

*"This is My beloved
Son, in whom I am
well pleased. Hear
Him!"*

Mat 17: 5

...And the glory of children is their father

Prov 17:6

My relationship with my son is like a relationship of the heavenly father Jehovah with his beloved son Jesus Christ. It is not only enough that the children keep up the name of the parents, but it is an equal responsibility of the father to be the Glory of his child. Heavenly father took glory in every work of Jesus and said here is my beloved son hear Him, Mt 17: 5. Same way Jesus Christ said whatever father in heaven does, the son will do likewise. Jesus Christ and heavenly fathers relationship is so inseparable God same way made my life and my son's life as one to glorify Jesus as per Gen 44:30.

- ❖ As I take care to glorify God in my; body and spirit as per 1Cor 6:19 – 20 by kneeling down and praying, my son also kneels down and he will be on his straight knees during church prayer service time as per 1Cor 6 : 17, he always connects his spirit with the Holy Spirit.
- ❖ As we glorify father by doing good works as per Mt 5 : 16, I always help the needy and oblige to people who have done evil against me same way my son also helped the needy students. He paid fees for couple of needy boys and gave his old shoes and clothes to them. Whenever people give me money for my children I always give it to my son because he never spends on unnecessary things. He always saved his pocket money. Pro 21: 13 says if you don't hear the cry of the poor, God will not hear your cry. Is it not wonderful that the child's glory is his father?
- ❖ We glorify God by much fruitfulness while abiding in true wine Jesus Christ. As per John 15 : 8, Myself and my son always think of doing the fruitful kind of deed that God is well pleased with. We never spent time or money on any unfruitful work we just did everything for the glory of God.
- ❖ 1 Pt 4: 16 say, As a Christian whenever we faced challenges we have to glorify Jesus and not be ashamed. Due to one of my ex employee fraudulent conduct, when we dismissed his services then he preferred a court case. He appointed a leading lawyer in town to take over the case on his behalf. This case lasted for 15 years. I told my son that we must agree and pray for

God made my life
and my son's life
as one to glorify
Jesus.

Praise God!

that opponent person, my son used to pray that I should be put to shame. God answered his prays and got the victory in such a way that this case cannot be taken for appeal in any jurisdiction in India. What an amazing victory!!! My son cannot stand any difficult situation in my life. That is why glory of the child is his father. I praise Jesus for my righteous son. For God put this earthly father as a glory to my precious son Shaswi.

*Asa did what was right
in the eyes of the Lord,
as his father David*

1King 15: 11 Similarities in Father and Son !

As St.Paul said "imitate me as I imitate Christ"

Same way my son observed my Godly ways and imitated me. He prayed just like me and knelt down for long time while praying. As I always make sure to honor the saints of God, my son once gave a special offering to a pastor who was in need of money to build his church. This was when the pastor had come to preach in our church, is it not wonderful to have a child like him who gave everything he had for God's kingdom. I was a sinner before I knew Jesus, but my son from the childhood lived holy and godly life as per 1 Pt 1:16. As God's word said **BE HOLY AS I AM HOLY**, I always considered holiness as the top priority in my life and am proud my son lived up to it.

My son was always an active kid. He always liked playing sports like cricket, football and was learning the martial art, karate. My son also at very young age he become Karate champion for the state of Tamil Nadu. Even I was a sports man in my young age, champion of hammer throw and javelin etc.. in my university. It's very interesting to think about the similarities we had.

He loved sweets of Indian variety. I was very fond of sweets until my late forties same way from the childhood my son was also very fond of sweets. His nature and heart is sweeter than earthly sweets.

2. Diverse IN NATURE

God blessed me with a daughter and a son. My first born is my daughter Teju and then my son Shaswi. Both my children grew up as the best of friends in spite of the differences in their nature. In Gen 25 : 27 As the boys grow and Esau was a skill full hunter and a man of the field and Jacob was a mild man dwelling in tents , same way my both children Teju and shaswi shared a great relationship and as my daughter was 5 years older than my son, she was more affectionate towards him.

GOOD CHARACTERISTIC OF SHASWI

Be it his favorite
sport or his sister
whom he loved
the most..... He
gave everything
"THE BEST" shot

But in their nature and activities they are all together different, but they share lots of love and fun together. They respected each other talents and never envy each other

Mat 19: 13-15

He always wanted the best for his sister. He also had plans about her wedding and the things he wanted to gift her. One of his desires that he spoke about on his fatal day is that he wants to buy a nice car for his sister on her wedding day. Is it not wonderful desires of him towards his sister at this age? They are diverse in nature but united in the love of God. Let it be an emulating feature for many young kids in the world.

The teenage boy!

Though he lived only for 18 years and 3 months in the flesh but he never lost the flavor of a child. As Jesus Christ compares the kingdom of God and its greatness belong to people who are like little children. Once in a while he comes and sleeps for a little while on my chest while I am resting. If I go for ministry, he used to come and sleep on my bed and express that he misses me by cuddling up in my blanket and pillow. Even on that fateful day he spoke to me and said “Daddy come quickly, I want to see you”. He used to play pranks on me at times by hiding behind the door and scaring me by shrieking out!!!. Whenever he realizes that, I am upset he tickles me to make me laugh. It is so wonderful to have a teenage boy with a flavor of a child. Like a child he always had the smiling face with the twinkle of kindness in his eyes.

At the age of 5 he used to sit on the lap of our driver and learn to handle the steering.

God told me that my son will be a professional car racer in years to come. He waited till his age of 18 years very patiently and first car rally conducted by JK tyres from Coimbatore to Ooty, he came first in the “Novice class” category. Had he lived on this earth he would have become the world’s fastest driver in formula cars. His training season in formula cars was to begin from May 2008.

He has completed the race before his father and now spending his eternity bliss with our Lord Jesus Christ. No child is like him, playful in one hand so mature in other hand in handling the matters.

SHASWI UNDERSTOOD SCRIPTURES

2 Tim 3 : 15 “and that from childhood you have known that godly scriptures which are able to make you wise for salvation through faith which is in Christ Jesus”. From childhood my son Shaswi never attended Sunday school, because he wanted to listen to my message. He writes down every message and reference verse on a paper and keep it in his bible. Like how the age of 12 is significant in life of Jesus, he was able to argue with the learned lawyers! My son took water baptism on his 12th birthday on 21.12 01 according to the fulfillment of the scriptures. After my sons water baptism, I made sure he reads at least one chapter every day it was almost like a rule. I checked him often on his daily reading; he used to tell me what he read each day. If he failed to read he never lie about it, instead will admit it and read it during bed time. He never lied on

this matter or any matter for he regarded Gods word is holy and pure. He wrote on the first page of the bible like these "A MAN WHO SEES THE INVISIBLE SHALL DO THE IMMPOSIBLE". He lived up to the expectations of this quote.

Mat 19: 13-15

GLORIFY GOD

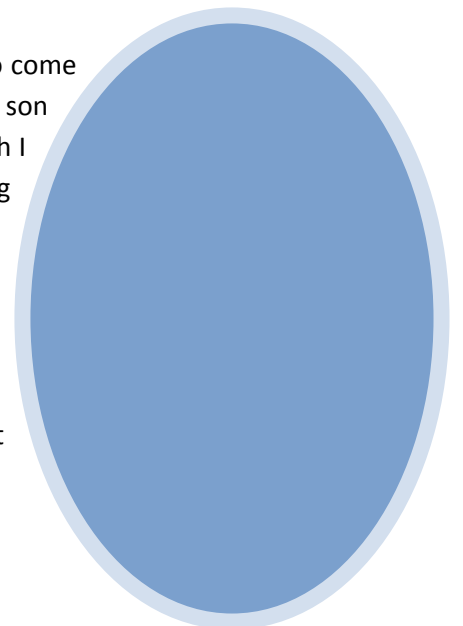

Mt 21 : 15 – 16 One year during the Christmas season he played Santa clause and amazed all including me. One year in written competition of memorizing words of God , he got a prize in our church. One time in his childhood universal brother hood in Coimbatore want to take a cover picture of different children or different religion they picked my son as a church father and gog glorified through my son. As the magazine went internationally for a conference God called and destined my sons life to glorify him as per Ish 43 : 7. His conduct never brought a shame to God but only glorified him always. I always used to tell him anyone ask how he develops skills in various fields he must say it is because of Jesus.

RECEIVE THE PROMISE OF HOLY SPIRIT

Act 2 : 39 For the promise to you and your children and to all who are a far of as many as the Lord our God will call. Both my children received Baptism in Holy Spirit, my son during my crusade in Vijayawada 2007 April, when we had the pastors conference in railways auditorium in Vijayawada, Holy Spirit descended in a mighty way and my son was baptized, wept, and immersed in the spirit of god. Glory to God. What a joy to anyone who have a son received the holy spirit of God at the age of 17. Tears of joy flowed out of my eyes, as he is sensitive to the Holy Spirit.

Gift of prophecy is at operation from his childhood. From his childhood, he is like a prophet, boy Samuel in the power of tongue. And like Jermimiah chosen by god from the womb of his mother. As a prophet to the nation, as he grew up in the presence of the god as per Jermisha 1: 5, 1 Samuel 2: 21 1 Sam 3: 19, As the word of prophet Samuel never failed or fallen to the ground any word of my son never fail. I would like to quote one example.

Once I was to get a cheque from Kerala cooperation, they had asked me to come and collect the cheque, which was ready 3 day ago. Before I started my son told me not to go and you will not be able to get it, as he loved me so much I thought he doesn't want to leave me , that is the reason why he is saying like this. I neglected and proceeded to Kerala, but by the time I reached the Kerala cooperation, it was closed due to the reason that the state finance minister has died on that day. Afterwards I started observing every thing he says it started happening exactly. This was confirmed by a prophet, Bro. D.G.S. Dinakaran on the eve of dedication of Carmel prayer Tower ministries, Even when he watched cricket or wwf match he used to predict that which party would win and it would happen exactly the same.

He had such a gift of tongue power, due to this reason I never saw that he lied on any matter. He walked in the love and truth of God as per Eph 4 : 15.

HE IS A FAVORED CHILD

As per 1 sam 2 ; 26 he grew up as favored child before men and God as a witness like a olive tree branch as ps 123 : Zec 4 : 3 – 4 , 13 – 14.

Mat 19: 13-15

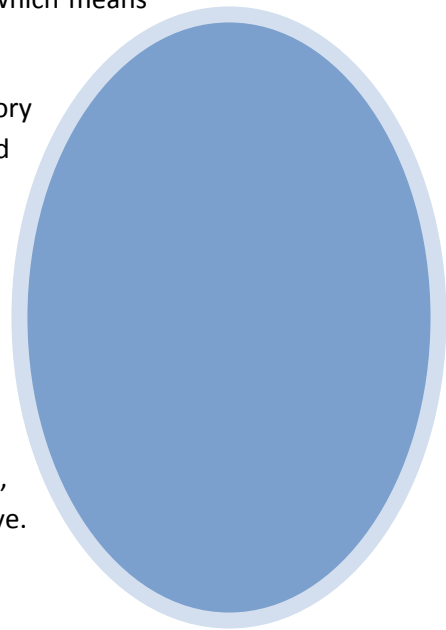

He always kept his witness and one time I have beaten him and afterwards cried by hugging him and asking him to forgive me for I was scared of God judgment on my life. The reason is that he wanted to buy an expensive watch of Rs.25,000 which he saw in the shop and promised the shop owner that he would pick it up. It made me natural sense that I have left my business and come to the Lord from 1999. Three years we underwent very tight financial position, hence, I was frustrated and got angry, but afterwards, you cannot believe that he got best of the watches from the well wishing friends as a gift. As I do not wear watches, I present all the watches to him. God gave him very valuable watch, as a gift without asking, as there was heavenly favor on my son.

HE GAVE RESPECT TO AGE PEOPLE

1 Pt 5 : 5 Like wise you younger people submit yourself to the elders , you all of you be submissive to one another, be clothed with humanity for God resist the proud but gives grace to the humble. My wife always love to talk to old people and help them, my son obtained the natural inheritance , when he went to my village he found my grand father's brother Subba Roa garu who is 75 years old, He had no money for proper nourishment. He went and spend time with him and became an instrument to help him for all his needs as he brought into my

One-day painter an old gentle man working at our home, had to carry load to upstairs, but my son said to him, I will carry it for you, don't worry. Take rest. Like this, we can quote many examples for his compassion to old people. He used to call All elders with respect Anna which means brother.

Never ill-treated anyone , one day one of his friends father, a textile factory owner was suffering due to heavy debt , he spoke to him about me and brought him to home to help in some bank, God gave that trait by birth to take care of elderly people. What a great grand child he is to generations. Since he cannot speak properly Telugu , my father liked Teju more, afterwards when my son went to my village and learned telugu and communicate with his grand father instantaneously my father started liking him. My elder brothers family and younger brothers family don't have proper terms, since my son was visiting my younger brother home, they were apprehensive , if he would be receive or not in other brothers house., but he went and stayed in their house too for the night and shared his love.

Shaswi loved all our relatives irrespective of their religious background. As some are still not saved. He showed gods kind of love on every one of them.

HE RECEIVED TRAINIGN AND DISCIPSHIP UNDER ME

Mat 19: 13-15

Eph 6 : 4 and you fathers do not provoke your children to wrath but bring them up in his training and domain of the Lord. If I say a small correction, he will do it immediatly. Example, One day along with his college friends he made color to his hair, I looked one angry look and he understood immediatly and asked me apology, ran to the saloon and removed the color to his hair. He cried and hugged me and said I need your love always not of anything of the world. What an obedient child. During 7. 07 .07 on my birthday when I was in fasting Lord Jesus Christ spirit spoke to me to prepare my son for ordination for ministry and asked me to dedicate during our annual 40 days fasting prayer, while I drank only water for 7 days out of the 40 days and prepared my son for ordination .

At that time my health was not so good due to the gout and uric acid problem in my body, due to 7 days fasting for God's kingdom work. My son told me to eat something and said dad it is not the only way to show your love to me, but on the ordination day, he fasted and prayed.

GRAND EVENT

21.12.07 on his 18th birthday we dedicated him for God's kingdom while separating him for God's service while laying hands in the presence of cloud of witness of men of God. He was on his straight knees for one hour and worshiped the Lord as we were anointing him with the oil, on his right ear, right hand, thumb and right toe. God very clearly spoke to me that his call is a prophetic and apostolic calling accordingly; we dedicated him as a living sacrifice for God's glory.

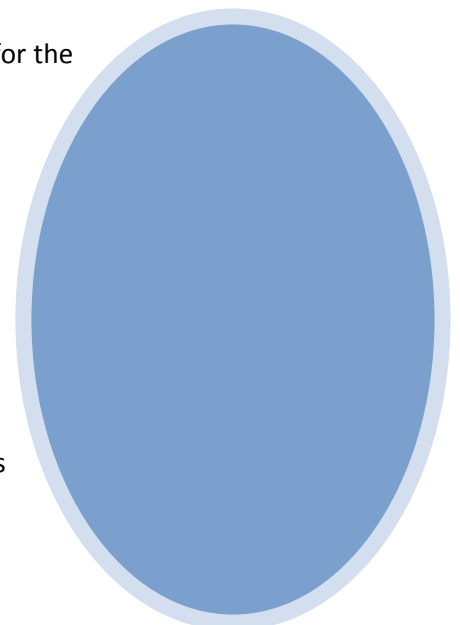

Even though he lived 3 and half months after this I believe God's promise will never fail, Shaswi will see them being fulfilled from heaven as per Hebrew 11: 13 , revelation 18 : 20 , 24 and Rev 22:4.

Now he is full time ministry as a faithful soldier for Jesus Christ as per 2Tim 2:4 on that day of ordination I saw smoke of Glory of God appeared in our church his face shine like the face of Moses on that day of his 18th birthday.

Every child will run to celebrate in the world but my son celebrated his life for the glory of God.

God gave two specific prophecies on that day:

1. God will give good name to his parents where they were put to shame for the sake of Shaswi. It is true to have a child like him we are happy to be known to the world as the parents of Shaswi
2. He will sow with tears in the kingdom; we reap with joy great of harvest. As Jesus Christ entered in to holy of holy place with his own blood not with the blood of animals, same way my son laid his

body as a natural seed and raised as a spiritual body as per 1cor 15:44 and his own body as a seed is raising millions of souls and disciples for the glory of Jesus Christ. What a disciplined son and servant Shaswi. He is parallel to the biblical character

10) CARE FOR PARENTS

1Tim 5:4

Mat 19: 13-15

Let them first learn to show piety at home and repay their parents, for this is good and acceptable with Good God while writing this I am in tears to take about good care my son taken care of our family. Everyday he used to shine my shoes before I go to prayer at 7am, carry my bag up to car, and get my car ready. It is his regular routine many times I have to give him bath towel when he is in shower. When I go to crusades or any other country for a long period, everyday he take care of whole house close all the doors during night and call me and give report of what is going on. When there is no driver, he comes to airport to drop me and pick me. Whenever he go to eat with his friends if he found good stuff he will go buy for all of us.

No selfish interest in him when he comes and sleep on my chest, I used to say to my family even after his marriage he will come and sleep and lean on my chest. But God intended his life like jeremiah not to marry and to be his bride for life in eternity. He is so fragrant child and served parents with utmost dignity and honor after God. His entire world and plans are around me always I miss too much my son every given memory.

As per Hebrews 12:9 & Deuteronomy 30:2 He always obeyed parents and God even when he go out of station he used to carry his bible and read one chapter everyday and say to me that he read the bible and attended church regularly on every Sunday without missing.

Friends:

He loved all and has few fellowships of friends. He used to give good advice to all the students and their parents whenever there is a discord in their relationship.

So many people informed us after his leaving to eternal home. His friends loved him so much they made key chains with his picture and distributed to the whole college, some wrote his name on their hands, and whole college staff lamented for his physical loss.

FAVORED CHILD BY ALL:

Where ever he went to shopping with his family or known to anyone, everyone got something good to say about him. We never heard even a single bad report in his lifetime.

On the Fateful day; April 5, 2008 :

Is 57:1-2

My day starts by praying for my children, I always bless my children by laying my hands on both of them and praying for them. On 2nd April I was leaving for my crusade at usnabad. The night before one of the orphanage boy injured his arm and was in hospital.

So I had been to the hospital on that day early morning to pray for the boy and from there went to my home church to pray and leave for my crusade. By the time I came back, my son had left to college and I missed praying for him. Then I left home to board the flight to travel to the crusade place. On 5th Saturday morning Shaswi sent me a text message on my phone saying “daddy please call back”. I called him and spoke to him, he asked me about the meetings and he cried and said “ daddy I feel like seeing you right now” I told him after 2 days I will be back and see him then. It seems he spoke many things on that day to my wife and daughter, as though he is giving charge to leave to eternal home.

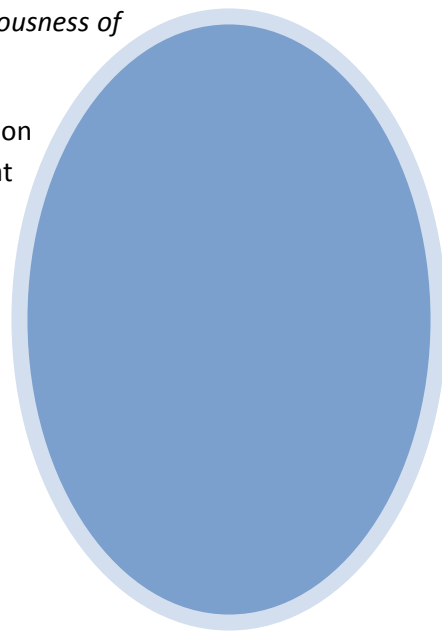

On that Saturday 5/4/08 I was again and again hearing Ps 34:19. Afflictions of the righteous are many but lord shall deliver them from all. On that day, big wind and rain came and damaged our crusade materials at the ground in usnabad area.

I heard the voice of the Lord in the afternoon that He will make me walk in the garden of freedom at that time I could not comprehend but, now I know that I have to love the son of God Jesus Christ; rest of my life more than my earthly son. I always kept my first love on Jesus Christ.

On that night I preached about the life of Job at the crusade. I was preaching about job; how he was an upright person and how he suffered many afflictions like losing 10 of his children. That night I prayed for the people especially who lost many things in their life like job. After the crusade I got this deadly news that my son is no more he met with an accident collided with big truck and instantaneously his soul departed to be with our Lord. It was such a devastating moment in my life, all my dreams shattered for a moment. My heart became numb for a moment, but I never asked God “Why” due to his abundant grace in my life. Let him supply that grace until my death. Lord is putting into my remembrance *Righteous are taken away to heaven before they see the calamity of the world* Isaiah 57:1-2 and Ecc 7:15 *Righteous are taken in their righteousness of their youth.*

Jesus Christ lived 3.5 years after his ordination to preach Gospel and my son lived 3.5 months after his ordination. I am not frustrated or sore about what happened but I miss my son too much at every memory of him.

When I prayed many dead, people raised to life. My son had a severe head injury with the accident; I prayed 20 hours to our god to do a creative miracle. I got an answer and continuous vision of our Lord on cross and his death and how his face was marred. I would say it's the same kind of death my son experienced.

CALL OF GOD FULFILLING IN HEAVEN:

Abel died by shedding blood but his blood still speaking Gen 4:10 and Heb 12:24. Same way as a martyr my son and his blood is speaking to the Lord Jesus Christ as per Rev 6:9-11. He became like a saint of God in heaven and offering continuous prayers in God's presence as an incense as per Rev 5:8 and Rev 8:3-4. God is speaking to him as an apostle and prophet as per revelation 18:20, 24. He is full time servant of God as per Rev 22:4. He is watching and seeing us from the heaven as per Luke 16:19-31. He is aware of everything that is happening in our family and ministry. He is capable of knowing what happened to him, us and he also knows what is going to happen in future as per 1 Sam 28:6-19

As per Rev 19:11-14 as a saint of God he is preparing to set up a millennium kingdom to our Lord Jesus Christ.

What ever he did on the earth will surely give him great reward. I miss my son physically but he is in a spiritual body as per 1 Cor 15:44 and understanding everything we are undergoing on this earth. I long to go to Jesus Christ son of God and my son Shaswi according to his time Phil 1:20-23, to be present in the body is profitable to God's kingdom and absent in body is present with Jesus Christ.

God took my son on his bosom while he redeemed him from the sorrows of the cursed and painful earth. Is 52:7 says beautiful are the feet of the people who preached Gospel of Jesus Christ. In the midst of major accident, God kept his feet so intact.

CONCLUSION:

My son grew up and increased in all the matters like Christ Jesus "in love and truth of God" as per Eph 4:15

During my fifteen years of ministry life, I blessed millions in the name of the Lord and never saw a child like my son shaswi and his good character. May God give you and our generation child like "shaswi" May god satisfy your children with long life.

As lord is rejoicing over my son as an apostle and prophet as per Rev 18:20 I also rejoice with Lord Jesus Christ. Even if I write volumes, it is not enough. We want to do everything for the memory of my son shaswi who is a blessing to us and millions in this world. As I put my son as a seed in our home of hope missionary school for orphan children, I believe the glory of God from his tomb will rise up many millions of spiritual missionaries for the glory of god.

His soft-spoken nature and great laughter brings the example to many.

Heb 11:13 as our forefathers had not seen all promises fulfilled on the earth but now seeing from heaven. I wish shaswi would be seeing the University of Theology being built with the help of Holy Spirit in my son's memory and where in millions will be saved through that discipleship movement.

When he was on the earth we laid foundation stone he will see them fulfilled our family never felt he died; only he is living not in physical body but in spiritual body. Time being he is in a faraway

country but we believe he is living with us as per Luke 20:37-40. Our God is not God of dead but God of living. As per heb 11:16 God is not ashamed to be called as a God of "Shaswi"

Accident happened as a human error as per God's revelation to me. I don't want to glorify devil and I want to glorify only God Jehovah, Jesus Christ and Holy Spirit.

"God gave me incredible gift in shaswi, I lost it on earth but I found it in Heaven"

I rejoice with my son in heaven eternally and on this earth he is my promised son and my daughter is only promised daughter. God has given me so many promises about my children; I do believe God will fulfill the same. Heb 10:36 I do the will of God and I walk patiently to obtain every promise of God to be fulfilled to build his kingdom on this earth. I am eagerly waiting to be with my Lord Jesus Christ and my son after fulfilling all his promises as per Act 13:36.

May God bless you and your family.

Always keep God and his commandment first. Then your family and then anything you do. God will prosper you!

My wife told me that he went to my bed and wept for sometime.

The way we Glorify god is not by hiding anything but by confessing and forsaking, Pro 28 : 13. Even Shaswi's mother or sister hide anything out of fear he will come and tell me, If I tell him anything not to tell anyone including his mother or sister or anyone he kept up his word. He calls me during crusade time and he ask me about how the crusades are going
